

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

CHURCH OF ENGLAND
TEMPERANCE SOCIETY,

OXFORD DIOCESAN BRANCH.

CATALOGUE AND PRICE LIST
OF
Temperance Publications,
Sermons, Pamphlets, Tracts,
Books, &c.

OFFICE AND DEPOT :

33, WELLINGTON SQUARE, OXFORD.

January, 1888. 258776 . e . 8 .

Directions to be followed when ordering Goods.

DIRECTIONS.

Write the Order after the Letter, or on a separate page, but not mixed up with the Letter.

Write your personal Address plainly, giving title with your *Place of Residence* and *Post Town*.

If the parcel has to be sent per *rail*, please give the name of Station.

PAYMENTS.

Post Office Orders and Cheques should be made payable to Rev. J. HOLFORD SCOTT.

AFFILIATED BRANCHES

Are entitled (1) to a reduction of 25 per cent. upon all purchases except the Badges, Bars, and Suspenders of the Society. (2) To be supplied with the Badges, Bars, and Suspenders of the Society at nett price for members. Carriage or postage is always charged.

All orders to be addressed to the Rev. J. HOLFORD SCOTT, 33, Wellington Square, Oxford.

C. E. T. Chronicle.

Special attention is called to the Chronicle, which has been permanently enlarged, and is conducted under new management.

The Society now issues a *Popular Monthly Number* on the first of each month, containing stories, poems, anecdotes, and articles on social questions, epitome of general and political (*not party*) news, prize Scripture questions, prize puzzles column, and prize stories.

Presidents and Secretaries are earnestly requested to bring the Chronicle to the notice of the Members of their branches. Specimen copies will be sent free on application.

.....

The Examiner of the Oxford and Cambridge Board reports of the French and German :—

“I am glad to report so favourably of both languages. The papers are most excellent, while everything shows great conversational acquaintance with the languages. Throughout the school the goodness of the pronunciation and fluency of expression are very striking. It is rare to find such good results obtained in an English school.”

Prospectus from Rev. the Resident Chaplain.

*Specimen Copies sent free on application.*

## *Free Circulation of Literature.*

The Secretary will be always happy to supply pamphlets and leaflets for distribution free, to new and struggling Branches. It is of especial importance that *bona-fide* information on the Temperance Question should be circulated as widely as possible.

# HAVE YOU READ

THE

## C. E. T. S. 25<sup>TH</sup> ANNIVERSARY

AND
